

# Post-Survey

**Thank you for participating in the Meta Spark Augmented Reality programming! This quick post-survey should take you no longer than 15 minutes to complete. We appreciate your time!**

**1. Institution Name:**

## Feedback on AR Skill Development / Perspective on AR

**2. Please indicate the extent to which you agree/disagree with the following statements based on your experience with the program:**

- I have gained a clear understanding of what AR is and how it can be used
  - Strongly Agree
  - Agree
  - Neutral
  - Disagree
- I believe my AR skill development from the program will be beneficial to my specific career goals
  - Strongly Agree
  - Agree
  - Neutral
  - Disagree
- I believe AR skills could be beneficial for a multitude of different careers
  - Strongly Agree
  - Agree
  - Neutral
  - Disagree
- I am excited to continue developing my AR skills
  - Strongly Agree
  - Agree
  - Neutral
  - Disagree

Please provide any comments here that you'd like to share about any of your responses above:

**3. With the AR skills you developed from the program, do you feel more prepared to successfully enter and/or thrive in the job market?**

- Yes
- No
- Not Sure
- Why or why not?

**4. Due to the programming, did you learn about possible uses of augmented reality (for either careers or interests) that you were previously unaware of?**

- Yes
- No
- Not Sure
- If yes, please elaborate.

**5. Do you feel the Meta Spark curriculum itself is beneficial for learners seeking to develop AR skills?**

- Yes
- No
- Not Sure
- Why or why not?

**6. Based on your experience with the programming, would you participate in further AR training?**

- Yes
- No
- Not Sure
- Why or why not?

**7. Did your experience with the program spark or strengthen an interest in pursuing an AR related career?**

- Yes
- No
- Not Sure
- Why or why not?

## Overall Feedback on Programming

8. How would you rate the overall quality of the program?

- 1
- 2
- 3
- 4
- 5
- 6
- 7
- 8
- 9
- 10

9. Did the program meet your expectations?

- Yes
- No
- Why or why not?

10. Would you recommend the program to others?

- Yes
- No
- Not sure
- Why or why not?

## Program Design

**11. Which specific components of the program did you find most valuable or impactful? Check all that apply**

- Cohort-based model (working with other learners at a similar pace)
- Flipped classroom (self-paced learning and reading followed by live classroom instruction)
- Team-teach (three instructors from three different academic disciplines)
- Final projects (culminating project to showcase AR skills)
- Closing event (opportunity to connect with employers)
- Support with Meta Spark certification exam

**12. Was the pace/speed of the training appropriate for learning?**

- Yes
- No
- Not Sure

**13. Please indicate the extent to which you agree/disagree with the following statement: I felt like I had the resources and support needed to succeed throughout the program**

- 1
- 2
- 3
- 4
- 5
- 6
- 7
- 8
- 9
- 10

**14. If you marked 5 or lower, please elaborate.**

**15. What suggestions or improvements do you have for enhancing the programming and related supports?**

**16. Based on this experience, do you plan on taking additional non credit programming with the college in the future?**

- Yes
- No
- Not Sure

## Demographic Information

The following demographic questions are intended to assess how members of various communities are participating in the Meta Spark Curriculum. Please know this data will be kept confidential, and only shared in aggregate form, but this section is optional if you'd rather not provide individual demographic data.

### 17. Which age group describes you?

- 17 or younger
- 18-20
- 21-29
- 30-39
- 40-49
- 50-59
- 60 or above

### 18. Which gender do you identify with?

- I identify as a woman
- I identify as a man
- I identify as non-binary
- I prefer not to say

### 19. Which race/ethnicity describes you?

- White or Caucasian
- Black or African American
- Hispanic or Latino
- Asian or Asian American
- American Indian or Alaska Native
- Native Hawaiian or other Pacific Islander

- Other (please specify)

**20. What is the highest degree or level of education completed?**

**21. What is your primary language?**

- English
- Spanish
- Other (please specify)

**22. Would you consider yourself to have a disability?**

- a. Yes
- b. No
- c. I prefer not to specify
- d. IF you answered 'yes' and feel comfortable doing so, could you please specify your type of disability below?

## Additional Questions for those Who Did Not Attend the Closing Event

23. How do the skills you gained through the programming connect to your specific career goals?

24. Did your initial thoughts on what AR is/how you might use AR skills change from the start of this program to the end?

Yes

No

Please elaborate

25. Which specific components of the program did you find most valuable or impactful? This could be related to specific video modules, assignments, supports, or other aspects of the curriculum.

26. What suggestions do you have for improving the Meta Spark curriculum itself? And how about any suggested changes to the overall programming/design?
